

# GAME SHOW MATH

In the following pages, you will find the category and number labels needed for this Game Show Math game.

Find the instructions here:

[Game Show Math on Research Parent](#)

I recommend choosing questions from [my free Minimalist Math curriculum](#) as they progress in difficulty and are sorted into the same categories used as labels.

The printable task cards that I use that cover the exact same questions as my minimalist curriculum are included in any level of [my Patreon membership](#).
